

Happy Halloween!

My name is _____ and this Halloween I am helping to raise awareness for Myotubular Myopathy and Centronuclear Myopathy. I'm raising money to help support the 2015 MTM-CNM Family Conference so families in our community can come together and learn from each other and researchers in our community.

As a special "treat",
please learn more and make a donation at

www.mtm-cnm.org/halloween

Thank you!
